Thanks Greg,

I didn't get your message until after close of business today. Can we talk next Monday or Tuesday?

Subject: Request for information

Dear Ayn,

On behalf of our members in the Pavillion area, I am requesting the GPS data that EPA collected for the maps generated as part of the Pavillion Groundwater Contamination Investigation. I also contacted Wyoming Oil and Gas Conservation Commission and Wyoming U.S. Geological Survey with the same request, but was told EPA has the data. Please email or call me if you have questions.

Thank you,  
Deb
